Overall General Comments (please reflect on your preservice teacher's professional skills, pedagogical content knowledge, and his/her ability to take responsibility of student learning):

Cooper is at the midpoint of his elementary physical education student teaching experience at Shiloh Christian School. He seems to be developing a good relationship with his students. He is learning to tighten up his classroom management a bit to keep his students on task. He doesn't appear to have any problem with the curriculum or giving instruction to his classrooms of students. I'm anticipating a strong finish to his elementary PE student teaching experience.
